HIGHWAY SAFETY COMMITTEE

REPORT FOR 1975

1. The New Hampshire Division of Highways, Traffic Control Engineers have advised us that the long awaited traffic control light system for the Railroad Avenue - Lafayette Road intersection has been approved and funds allocated for its installation.

2. As promised, the State Traffic Control people renewed all road markings, giving us additional crosswalks for pedestrian safety. They also replaced all roadside signs that have been damaged or stolen during the fall and winter of 1974-75.

3. At the request of the Safety Committee, the State finally began a phase out of the antiquated signals at the Washington Street - Route 286 intersection. These signals had had a failure record of 18 weekends in 1974, causing serious tieups during extremely heavy Saturday-Sunday traffic. We are certain that the Seabrook folks appreciate the efforts of Mr. Frank Lindh and his State Staff in bringing this intersection up to date.

4. Once again the Committee must bring up the matter of the Speed Ordinance that we developed during the late Chief Knowles' term of office. The matter is still in the hands of the Town Counsel and should be readied and placed in force by the Selectmen.

5. The Committee once again provided Red Cross First Aid training for ambulance attendants, with an additional refresher course in cardiopulmonary resuscitation. Our appreciation to Captain Sullivan of the Hampton Fire Department for his valued assistance.

6. Proper Safety Lighting has finally been achieved on Route 107 and at the track entrance.

7. Several STOP, CAUTION-CHILDREN NO PARKING SIGNS have been replaced.

8. Atlantic Avenue was placed under a new Ordinance requirement eliminating all parking on this road. This resulted in a far safer travel way, than existed in previous years.

9. The Committee received many requests to post hazardous areas of the town. Since no ordinance existed permitting this we could not comply. However, an Ordinance covering such situations is under preparation at this moment.

10. Several roads where speed rules have been severely abused have been under study during the past year and the registrations of many of the heavy footed operators have been noted. A control program, coupled with the Ordinance on Speeds, will shortly be presented for final approval. It should be noted here, that every Motor Vehicle Regulation is a guide for better Highway Safety, and that no one regulation should be subjugated or disregarded.

Your committee has tried to bring reasonable speed control into being in OUR TOWN by constant appeals to civic groups and to individuals. There are still many operators who constantly ignore safe driving principles, and mount speeds far in excess of "Legal Speed" limits.

However, most of our folks use common sense and drive accordingly. Our sincere thanks for their cooperation in our effort to maintain Safety on the Highways.

Respectfully,

William Felch

BROWN LIBRARY REPORT FOR 1975

The Library has made substantial progress in 1975 as a result of the $10,000 that the Town appropriated at the Town Meeting in March. With continued support, the Trustees are determined to make the Library useful to the people of Seabrook by providing services that are expected from a modern library.

The money was spent for two major improvements. $3300 was used to construct and pave a parking lot in back of the building, thus eliminating a traffic hazard on Lafayette Road. $6500 was spent to provide an addition at the rear of the Library with an entrance from the parking area, space for toilets, and a proper stairway to the basement which will be developed for later use. The balance of $200 went for septic system permits and for keeping open an additional afternoon each week.

On November 10, the Brown Library was reinstated in the Statewide Development program and has six months to meet minimum qualifications for membership. Based on the 1974 population figure, the library must be open 25 hours a week. The Trustees have voted to request enough money from the Town in 1976 to enable the library to be open on six days each week for several hours. Among the advantages of being a member of this Program are: advice on book buying; catalogue cards; work-shops on modern library operation; advice on obsolete books; reference books; and guidance in all phases of library management.

Our proposed budget for 1976 includes enough funds to complete the addition. With a gift to pay the architect's fee, we have an excellent plan in keeping with the architectural period of the building. To finish the new section, we must install hot and cold water, toilets, septic system, lighting, and all interior finish. We are studying ways to improve the lighting in the reading room and stack areas. Because of renewed interest in the Library, we have received a number of contributions from "Friends of the Brown Library" and from individuals. As a result we have subscribed to several magazines, something we have not done for a number of years. We have joined with other area libraries in the cooperative purchase of the National Geographic film series on American History which is available to the community.

SEABROOK AMERICAN REVOLUTION BICENTENNIAL COMMITTEE

PROGRESS REPORT

To carry forth the 1973 Adjourned Town Meeting directive, calling for a special committee to plan and implement a celebration of the 200th anniversary of our town's participation in the American Revolution, an 11 member executive committee has developed a program around the themes of the American Revolution Bicentennial Administration.

Conforming to the "Heritage '76, Festival USA and Horizon '76" national themes and establishing a project of a lasting reminder of our celebration, Seabrook qualified and became one of nearly 5,000 communities across our country to receive the official Bicentennial Community designation by mid-August of this year.

A number of projects and activities already have been executed in all three areas. The Seabrook Militia Company has been organized and has been equipped in full uniform, assisting in many of our programs and representing our town in parades and musters in three different states.

A liberty tree ceremony was conducted in the spring in which four maple trees were placed on the front lawn of the Elementary School. A row of woodbine have been planted along the front wall of the Elmwood Cemetery and at no cost to the town, a granite marker was installed on the gravesite of 18th century town philanthropist, educator and historian Oliver Eaton Esq., at the rear of the American Legion Home.

In April, the events surrounding the Battles of Lexington and Concord were commemorated with the ringing of church bells, the firing of militia cannon and the decorating of graves of our Revolutionary War soldiers. The weekend program concluded with a Colonial Worship Service at the 1764 South Meetinghouse.

A delegation of Seabrook residents attended the state's official commemoration of New Hampshire's participation in the Battle of Bunker Hill on May 17 in Manchester. During this event, three of our boys, dressed in colonial attire, represented our town's four veterans of that battle in the 2nd Annual John Stark Day parade.

Other activities have included a Bicentennial Essay Contest at the Elementary School in the spring, a colonial ball in mid-June, a performance of the Kitchen Kutups in November and a Colonial Christmas Worship Service in December.

For the first time in 44 years, an Old Home Day celebration was held in town on September 13 on the grounds of the Elementary School, with an estimated overall attendance of more than 1,500. Events consisted of the official Bicentennial Flag Ceremony, the presentation of certificates of merit to our many distinguished citizens, a baby contest, doll carriage parade, a pie-tasting contest, a three-legged and sack race, a watermelon-eating contest, a firemen's muster, a greasy pole and pig contest, beano, baseball game and a clam bake. And the day concluded with a band concert, square dancing and a fabulous fireworks display.

Through the generosity of Tower Press, the townspeople have been kept informed about the celebration. The company has been publishing a quarterly newsletter, "The Seabrook Bicentennial Review" free of charge, and it is mailed to all boxholders.

All town meeting records about Seabrook's activity in the Revolutionary War have been reprinted and distributed during various commemorative events. The original Association Test paper, a petition signed by Seabrook men in 1776 declaring their loyalty to the colonial cause, has been reproduced and made available for purchase. Over 100 old photographs have been located as a result of our search for these items.

A State Historical Marker, identifying the proximity of the Shapley Line, the freeing of the three Quaker women and the Edward Gove Homestead, was erected in October at the head of Rocks Road by the New Hampshire Historical Commission at no cost to the town.

Our committee took part in the purchase of 12 National Geographic movies on the American Revolution through the Lane Memorial Library in Hampton, making these films available to all organizations in our town. "Perspectives '76", a massive publication about life in New Hampshire during the American Revolution, has been bought for the Elementary School and for the Brown Library. And the official Bicentennial Flag is now being flown from the Fire Station and the Elementary School.

An Old Home Week, scheduled for August 22 to 28, will be the main focus of our 1976 celebration. Plans include a parade, an old home tour, chicken barbecue, teenage dance, militia demonstrations and many other events.

As a lasting memorial of our celebration, our committee is participating in the New Hampshire American Revolution Bicentennial Commission's Matching Grants to Municipalities program. From these monies, the Boyd School, home of the Historical Society, will be established as a museum of our town's heritage.

Events leading up to August will comprise the following: the appearance of the State's Bicentennial Wagon Train, a program on the Quakers of Seabrook during the American Revolution, the restoration of the Quaker cemetery, the erecting of historical markers throughout town and the publication of an oral-cultural history.

A Colonial Banquet is being planned for April 17 to commemorate the signing of the Association Test papers, followed by a Variety Show, a School Bicentennial Fair, a Colonial Ball and an old-time Fourth of July celebration with a major fireworks display.

The members of your Bicentennial committee extend their deepest appreciation to all those people who have so willingly helped support this celebration with their valuable time and energy.

SEABROOK

Fiscal year	1974-75	1975-76
Total Calls	6068	4 months 2342
Seabrook	1597	4 months 745

During our fiscal year July 1, 1974 through June 30, 1975, 1597 calls were made in Seabrook. Of this number 402 were made free of charge or at a reduced fee. It is the policy of the agency to scale fees or provide services on a no-charge basis to those patients unable to pay. In addition to Skilled Nursing Care, the services of our Physical Therapist were utilized by several Seabrook residents.

At present 187 children from Seabrook are being followed at our Well Child Clinic. They are seen on a regular schedule for physical examinations, immunizations, counseling, blood tests, developmental testing, vision and hearing screening, urine tests and lead screening. In addition to the above, we now hold two Dental Clinics each year for children between the ages of 3 and 6 who are enrolled in the Well Child Clinic. Dental Hygienists employed by the state, clean the children's teeth, apply topical fluoride and x-ray those who may need further dental treatment. These children are then referred to a local dentist for treatment at no cost to the families.

The Agency continues to work with the Seacoast Regional Counseling Center with the Aftercare Program and also with the state sponsored T.B. and Crippled Children's programs.

ARTICLE XXIX: To see if the Town agrees to participate in the National Flood Insurance Program by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration.

ARTICLE XXX: Resolution to be used when applying for Flood Insurance:

WHEREAS, certain areas of Seabrook are subject to periodic flooding from (STREAMS, RIVERS, LAKES, OCEANS, ETC.), causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of this Town Meeting to require the recognition and evaluation of flood and/or mudslide hazards in all official actions relating to land use in the flood plain areas having special flood hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to New Hampshire RSA Chapter 31, 36, 156, 156a.

NOW, THEREFORE, BE IT RESOLVED, that this Town Meeting hereby:

1. Assures Federal Insurance Administration that it will enact as necessary, and maintain in force for those areas having flood or mudslide hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Section 1910 of the National Flood Insurance Program Regulations; and

2. Vests the Planning Board or other duly authorized municipal officer with the responsibility, authority, and means to:

(a) Delineate or assist the Administrator, at his request, in delineating the limits of the areas having special flood hazards on available local maps of sufficient scale to identify the location of building sites.

(b) Provide such information as the Administrator may request concerning present uses and occupancy of the flood plain.

(c) Cooperate with Federal, State, and local Agencies and private firms which undertake to study, survey, map and identify flood plain or mudslide areas, and cooperate with neighboring committees with respect to management of adjoining flood plain and/or mudslide areas in order to prevent aggravation of existing hazards.

(d) Submit on the anniversary date of the community's initial eligibility an annual report to the Administrator on the progress made during the past year within the community in the development and implementation of flood plain management measures.

3. Appoints the Building Inspector to maintain for public inspection and to furnish upon request a record of elevations (in relation to mean sea level) of the lowest floor (including basement) of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor is below grade on one or more sides, the elevation of the floor immediately above must be recorded.

4. Agrees to take such other official action as may be reasonably necessary to carry out the objectives of the program.

ARTICLE XXXI: Resolution to indicate the Building Permit System which the community has adopted and the review procedure for the system:

WHEREAS, the Town of Seabrook has adopted and is enforcing (CITE BUILDING CODE, ZONING ORDINANCE), and

WHEREAS, Sections VII, C1,2,7 of the aforesaid prohibits any person, firm or corporation from erecting, constructing, enlarging, altering, repairing, improving, moving or demolishing any building or structure without first obtaining a separate building permit for each building or structure from Building Inspector, and

WHEREAS, the Building Inspector must examine all plans and specifications for the proposed construction when application is made to him for a building permit.

NOW, THEREFORE, BE IT RESOLVED by the Town Meeting of Seabrook, as follows:

1. That the Town Meeting recommends that the Planning Board shall review subdivision proposals and other proposed new developments to assure that (i) all such proposals are consistent with the need to minimize flood damage, (ii) all public utilities and facilities, such as sewer, gas, electrical, and water systems are located, elevated and constructed to minimize or eliminate flood damage, and (iii) adequate drainage is provided so as to reduce exposure to flood hazards; and

2. That the Town Meeting recommends that the Planning Board shall require new or replacement water supply systems and/or sanitary sewage systems to be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters, and require on-site waste disposal systems to be located so as to avoid impairment of them or contamination from them during flooding; and

3. That the Town Meeting recommends that the Building Inspector shall review all building permit applications for new construction or substantial improvements to determine whether proposed building sites will be reasonably safe from flooding. If a proposed building site is in a location that has a flood hazard, any proposed new construction or substantial improvement (including prefabricated and mobile homes) must (i) be designed (or modified) and anchored to prevent flotation, collapse, or lateral movement of the structure, (ii) use construction materials and utility equipment that are resistant to flood damage, and (iii) use construction methods and practices that will minimize flood damage.

ARTICLE XXXII: To see if the Town will vote to raise and appropriate the sum of One Thousand Two Hundred and Fifty Dollars ($1,250.00) for the purchase of a new snow plow for the Fire Department.

(Submitted without recommendation)

ARTICLE XXXIII: To see if the Town will vote to sell to the State of New Hampshire upon such terms and conditions as the Selectmen deem appropriate, a certain parcel of land and buildings purchased by the Town on September 27, 1968 and assessed to Dennis Collyns, upon the Town obtaining Tax Collector's deed to same.

ARTICLE XXXIV: To see if the Town wishes to elect a Library Trustee for the Brown Memorial Library beginning in 1977.

ARTICLE XXXV: On Petition of Antonio Santasucci and One hundred and sixty six (166) other voters of the Town: to determine by secret ballot what action the Town should take with respect to the following question:

"Should there be a Nuclear Reactor Powered Plant in Seabrook?"

(On the Official Ballot)

ARTICLE XXXVI: On Petition of James S. Burns and twenty seven (27) other voters of the Town: to determine by secret ballot what action the Town should take with respect to the following question:

"Shall the members of the Seabrook Planning Board be henceforth elected by the votes of the voters on a regular election ballot as opposed to the present system of being appointed by the Board of Selectmen. If this Article is voted favorably by the majority, it is to become effective as soon as permissible, in a manner conforming with present statutes of this State".

(On the Official Ballot)

ARTICLE XXXVII: On Petition of Charlotte K. Marshall and twenty one (21) other voters of the Town: To see if the Town will include funds for the support of the Brown Library in the regular Town Budget starting with 1977.

ARTICLE XXXVIII: On Petition of Lydia M. Gould and nineteen (19) other voters of the Town: To see if the Town will vote to appropriate the sum of Eight Thousand Three Hundred Eleven Dollars ($8,311.00) for the Brown Library. This money, with the available funds of the Brown Library, to be utilized for completion of the addition and expending the Library's services to the public.

(Approved by the Budget Committee)

ARTICLE XXXIX: On Petition of Gary T. Smith and twenty-two (22) other voters of the Town: To see if the Town will vote to discontinue New Boston Road as an open highway and make said road subject to gates and bars by April 1, 1976. New Boston Road is also known as New Boxton Road and is more particularly described as that road extending westerly from a point near or at the intersection of New Zealand Road and True Road.

ARTICLE XL: On Petition of Daniel Gretsch and fifty-five (55) other voters of the Town: To see if the Town of Seabrook will vote by a yes or no ballot, to raise and appropriate the amount of Fourteen Thousand Dollars ($14,000.00) to create, establish, and maintain, a Mosquito Control District under the provisions of R.S.A. 437-A of the New Hampshire State Laws.

(Submitted without recommendation)

ARTICLE XLI: On Petition of Ralph L. Dow and fourteen (14) other voters of the Town: To see if the Town of Seabrook will vote to appropriate the sum of One Hundred Dollars ($100.00) for the Seabrook Little Leaque Girls Baseball Team in Seabrook, New Hampshire.

(Submitted without recommendation)

ARTICLE XLII: On Petition of William A. Paine and nineteen (19) other voters of the Town: To see if the Town will vote to raise the Dog Officers salary to a reasonable amount.

ARTICLE XLIII: On Petition of Charles Dyer and thirty-three (33) other voters of the Town: To see if the Town will vote to accept Riley Road as a Town Road.

ARTICLE XLIV: On Petition of James J. Burns and twenty-five (25) other voters of the Town: To see how the Town will vote on the following question: "Shall all zoning codes, Statutes, Rules of, and in the Town of Seabrook be abolished?".

ARTICLE XLV: On Petition of William A. Paine and twenty-nine (29) other voters of the Town: To see if the Town will vote to have a year round leash law.

ARTICLE XLVI: On Petition of Melvin Burrowes and thirty-three (33) other voters of the Town: To see if the Town will vote to adopt the following proposed Town Ordinance:

No truck, transport or construction vehicle having more than two axles shall operate on any public or private road within the town limits, with the exception of Interstate Route 95, U.S. Route 1, and State Route 107, between the hours of 8.00 P.M. and 7.00 A.M. The maximum speed for such vehicles on all roads excepting the three above mentioned shall be thirty (30) miles per hour. Exception shall be made for snow removal and fire vehicles.

ARTICLE XLVII: On Petition of Gary T. Smith and twenty-six (26) other voters of the Town: To see if the Town will vote to limits loads on all portions of True Road under Town Control to no more than six tons.

ARTICLE XLVIII: On Petition of Gary T. Smith and twenty-four (24) other voters of the Town: To see if the Town will vote to have the Selectmen make diligent efforts to have New Zealand Road classified as a Class V Highway subject to the control of the Town of Seabrook.

ARTICLE XLIX: On Petition of Gary T. Smith and twenty-four (24) other voters of the Town: To see if the Town will vote to limit loads on New Zealand Road to no more than six tons, when and if said road should come under the control of the Town.

ARTICLE L: To hear the report of the Planning Board and to act thereon.

ARTICLE LI: To see what sums of money the Town will vote to raise and appropriate for the expense of the General Government, for the protection of persons and property, for health and sanitation, for highways and bridges, for the support of the Town Poor and for all necessary expenditure for the ensuing year.

ARTICLE LII: To transact all other legal business that may come before said meeting.

EXTRACTS FROM MUNICIPAL BUDGET ACT--RSA 32

32:4 AUTHORITY OF BUDGET COMMITTEE. In any town which has adopted the provisions of the municipal budget law, in addition to its other duties hereunder, the budget committee shall prepare a budget for any village district or precinct wholly within the boundaries of said town. The limitations upon town appropriations, provided by this chapter, shall apply to appropriations for said districts or precincts and the commissioners of any such district or precinct shall be subject to the provisions of this chapter as other spending agencies of said town. In case of sudden and unexpected emergency the commissioners may apply to the Department of Revenue Administration for a certificate of emergency, as selectmen may do in the case of a town.

32:5 PREPARATION OF BUDGET. The budget committee shall prepare budgets according to forms prescribed by the Department of Revenue Administration for town expenditures, school district expenditures and village district expenditures. It shall hold at least one public hearing on each budget, public notice, and time of which shall be given at least seven days in advance. The budget committee shall confer with selectmen, school boards, village district commissioners and other officers and departments relative to estimated costs, revenues anticipated, and services performed: and it shall be the duty of all such officers and other persons to furnish such pertinent information to the budget committee. Selectmen, school boards, village district commissioners and department heads shall prepare a statement of estimated expenses and receipts for the ensuing year and submit the same to the budget committee at such time as the budget committee shall fix. The budget committee shall prepare and submit to the selectmen for them to post with the town warrant two copies of the budget prepared for the town at least fifteen days before the annual town meeting. It shall likewise prepare and submit to the school board, or village district commissioners two copies of a school district or village district budget to be acted upon at the school district or village district annual meetings at least fifteen days before said annual meeting for posting by the school board or the village district commissioners with the warrants for their respective meetings.

32:8 LIMITATION OF APPROPRIATIONS. So long as the provisions of this chapter shall remain in force in any town the total amount appropriated at any annual meeting shall not exceed by more than ten percent the total amount specified in the budget for said meeting, and no appropriation shall be made for any purpose not included in said budget, provided, however, that the budget committee may also submit, without approval items which they do not wish to recommend but which they believe the voters should be allowed to consider and act upon, either favorably or unfavorably. Money may be raised and appropriated for such items, but not to an amount which would increase the total appropriations, as recommended by the budget committee, by more than the ten percent allowed hereunder. The ten percent increase herein allowable above the total amount specified in the budget for said meeting shall be computed on the total amount recommended less that part of any appropriation item which constitutes fixed charges. Fixed charges shall include appropriations for:

I. Bonds, and all interest and principal payments thereon;
II. Notes, except tax anticipation notes, and all interest and principal payments thereon;
III. Mandatory assessments imposed on towns, by the county, state or federal governments.

32:12 STATEMENT OF EXPENDITURES: Upon request by the budget committee the selectmen, town manager, school board, or village district commissioners shall forthwith submit to said budget committee a statement of all expenditures by them made in such detail as the budget committee may require.

FACT SHEET FOR 1975

CHILD AND FAMILY SERVICES OF N.H.

WHO: Seacoast Regional Office of Chile & Family Services of N.H. serves the Seacoast Area of Rockingham County and Durham in Strafford County. We are members of Family Service Association of America and Child Welfare League of America. Our Staff all have Master of Social Work degrees.

WHERE: We are located at 25 Front St., Exeter. Tel. 772-3786

WHEN: Families who are in crisis turn to us for counseling because of marital discord, uneasy parent-child relationships, conflicts in adolescence, unwanted pregnancy, or any other problem.

WHY: Our counseling practices insure concern and confidentiality. We are available when people are upset. By working with whole families, we help members toward better communication. We also see people individually and we use the group method whenever it seems likely to be most helpful.

In Seabrook we worked with 8 families this way in 1975.

Our new name will be THE ROCKINGHAM COUNTY CHILD & FAMILY SERVICES.

1975

REPORT OF THE WATER DEPARTMENT

During the year, 235,177,950 gallons of water were pumped, showing an increase of 8,071,870 gallons over 1974.

Industrial & Commercial useage increased from 93,415,470 gallons in 1974 to 105,356,788 gallons in 1975.

78 services were added to the system during the year.

We want to thank you for the co-operation shown during the summer months for limiting outside use of water.

Respectfully submitted,

Douglas H. Perkins

LETTER OF TRANSMITTAL

Board of Selectmen
Town Office
Seabrook, N. H. 03874

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of Bessie S. Adams, Tax Collector, of the Town of Seabrook for the period April 17, 1974 through September 30, 1975, which was made under the authority provided in R.S.A. 41:36.

A copy of this report must be given to the Town Clerk to be retained as part of the permanent records.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Consequently, the amount of uncollected and unredeemed taxes as shown in this report are subject to any changes which may be necessitated by the return of verification notices.

Conclusion:

The provisions of Chapter 71-A, Section 21, require that the auditor's summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

Very truly yours,

Frederick E. Laplante
